The River Oaks Women's Golf Club is getting ready for the new year!

Come join us on Tuesday mornings for a fun game. We welcome golfers of all abilities, even if you do not have an established handicap. You will meet and play with all of our fun and welcoming members. We will teach you how to score for the game and help you get your index set up.

We play a game every Tuesday, beginning generally about 9:00 AM in the winter, and 8:30 in the warmer months. The club sends out an email every Sunday regarding the coming week's game.

Attached you will find the application and the coming year's schedule. Please get send the application to Pat at your earliest convenience.

River Oaks Golf Course is in wonderful shape. The fairways and tee boxes have been punched and overseeded and are beginning to reap the rewards. The greens are cut and rolled on a regular basis, and are fair but challenging.

Our club is one that includes all levels of play. Our goal is that we have a wonderful time together while playing the game that we all enjoy. To that end we expect to structure play in a manner that encourages social time after each game.
